

D Policy and 4th year Standing

Department of Systems and Information
Engineering

D Policy

2

- If you earn below a C- in any of the following courses:

2nd Year	3rd Year		4th Year
SYS 2001*	SYS 3021*	SYS 3034	SYS 4021
SYS 2202	SYS 3023	SYS 3060*	SYS 4053 & 54
CS 2110*	SYS 3055	SYS 3062	SYS 4055
APMA 3080	APMA 3120*		
APMA 3100*			

- If Yes
 - you need to retake said course(s) to graduate
 - Courses with an asterisk(*) are also pre-reqs for later SYS classes, and you need a C- or higher for the pre-req to be considered satisfied

4th Year Standing

3

- Must have 4th year standing as a systems major to take SYS 4053 (capstone).
- 4th year standing is defined as
 - must have completed (with C- or higher) 6 or more classes in the standard SYS curriculum
 - 2001 and 2202, and
 - Four of the following: 3021, 3023, 3060, 3062, or 3034

* If you are part of the US/Brazil program, you must have completed (with C- or higher) the following four courses to have 4th year standing: SYS 2001, SYS 2202, SYS 3021, SYS 3023. This difference for the US/Brazil program is needed to accommodate the fact that students in this program take courses in a slightly different order.
